“My dialogue with chefs and hoteliers is like tango dancing. The food leads the way, and I embrace it with passionate creativity.”

DAN KALDERON

COMPANY PROFILE

Kalderon has been creating singular, hand-made glassware since 1995.

Dan Kalderon, the artist behind Kalderon's avant-garde designs, began his career as an award-winning, second generation, ceramics artist, before he has fallen in love with glass.

His passion and devotion to the challenging, yet exciting material, is evident in the glassware art he has been creating since.

Together, Dan and his companion Michal, who is the business engine behind Kalderon, have propelled glass artistry into an international enterprise.

Kalderon's high quality products and thoughtful, precise customer service and client relations offer an outstanding experience from start-to-finish.

Michelin-starred chefs, luxury hotels, and hospitality venues across the globe seek out Kalderon's hand-crafted tableware and buffetware.

OUR VISION

Kalderon's tableware add elements to the culinary experience that are as unexpected as they are memorable.

Color, texture, and an inspired artistic expression are Kalderon's signatures.

DESIGNS

Kalderon's spirit is imbedded in form and function.

The design process is a constant movement and evolution of technique, pattern, color, texture, and flourish of painting by hand.

COLORS

Kalderon crafts a complementary color palette that is tailor-made according to each client's needs and fancy.

A scenic landscape featuring a range of mountains in the distance, a valley with a winding road, and a dense forest of evergreen trees in the foreground. The sky is clear and bright, suggesting a sunny day. The text "YOUR DREAM IS OUR DESIGN" is overlaid in a white, serif font across the center of the image.

YOUR DREAM IS OUR DESIGN

Kalderon creates and builds lasting relationships guided by a mutual appreciation for quality craftsmanship, subtle details, and exceptional standards.

We are proud to work with award-winning chefs and luxury venues across the globe.
