# The Artist

Glass artist Dan Kalderon has lived many lives as an explorative, curious creative. Born and raised in Jerusalem, he began his career creating singular, handmade tableware in 1995, following in the footsteps of his artistic father, a well-known ceramicist.

Together with his companion in life and work, Michal, the business engine and CEO, the Kalderon family has propelled glass artistry into an international enterprise.

# Kalderon Atelier

8

Kalderon's multi-faceted glass atelier produces otherworldly, handmade, and customized dishware sets for Michelin-starred restaurants and luxury hotels around the globe.

In this awakened place, set in a nature-filled Mediterranean pocket where fresh mountain air meets lush forests and sea views, all of the inspired elements that go into Dan's glass-making come together; a constant movement and evolution of technique, pattern, color, texture, and flourishes of painting by hand.

No two pieces are the same.

# Multi-Venue Exclusives

Kalderon's all-inclusive product offering is more than meets the eye; highly functional, bespoke formations and durable materials serve every need and setting in the hospitality realm.
